

District 2

Juvenile Justice Substance Use Delivery System Committee

Article I: Name

The name of this organization shall be the “District 2 Juvenile Justice Substance Use Delivery System Committee”.

Article II: Purposes and Functions

Section 1: Purposes

The purpose of the District 2 Juvenile Justice Substance Use Delivery System Committee will be to oversee a cost effective, district wide, substance abuse system to reduce substance abuse and criminal behavior among juveniles, while maximizing the utilization of the appropriated funds for services. Further empowering juveniles and their families to support a positive lifestyle by providing strength-based treatment and rehabilitative services tailored to the needs of the family and juvenile.

Goals

- Promote public safety by reducing substance abuse and delinquent activity among juvenile offenders.
- Address the family’s social and economic needs by identifying the needs and strengths of the juvenile/parents and engaging them with appropriate services.

Section 2: Functions

1. Oversee district wide comprehensive substance use disorder service plan that include intake, assessment, level of service, service authorization, service delivery, payment authorization, service coordination and continuous case management.
2. Maximize the utilization of the appropriated funds for services and support for juveniles and their families within District 2.

Article III: Membership

Membership shall consist of Probation Directors or Chief Juvenile Probation Officers, or their designee, from each of the Counties in the second district, and the IDJC District Liaison.

1. Clearwater & Lewis County – Alana Curtis or designee
2. Idaho County – Nadine McDonald or designee
3. Latah County – Skye Taylor or designee
4. Nezperce County – Shawn McDowell or designee
5. IDJC District Liaison – Zlata Myr or designee

Article IV: Meetings

The District 2 Juvenile Justice Substance Use Delivery System Committee shall meet quarterly. Special meetings may be called by any member of the District 2 JJ SUDS Committee as needed by requesting such a meeting with the chairperson.

A chairperson will be elected by the committee members to preside at all meetings and maximize the function of this Committee.

Article V: Voting

The District 2 Juvenile Justice Substance Use Delivery System Committee will use a decision making protocol and problem solving protocol that discusses and reviews issues until everyone's opinions are heard and understood, especially opposing opinions. The decision is made with a simple majority vote (One more than half the members present) and when the group says they can live with the decision of that vote.

The Chairperson will ensure that every member has been informed and given the option to attend the meeting prior to a decision or problem being voted on.

The District 2 Juvenile Justice Substance Use Delivery System Committee is dedicated to working as a team to resolve problems that may be presented by any member of the committee.

Article VI: Operational Protocols

The District 2 Juvenile Justice Substance Use Delivery System Committee will monitor the District Wide Plan that includes Operational Protocols and Memorandums of Understanding as outlined by Idaho Department of Juvenile Corrections (IDJC) through attached documents.

District 2 Juvenile Justice Substance Use Delivery System Plan and Operational Protocols

Chief Juvenile Probation Officer (JPO) for each county will oversee the collection of performance and financial data in their point of service, and report on the data at the District 2 Juvenile Justice Substance Use Delivery System Committee quarterly meeting. Below we have outlined each of the areas designated in the IDJC District Guidelines.

- 1. Identify Potential Clients/Initial Screening:** Each county probation department will administer a risk assessment tool that has been validated for use with juveniles (YLS/CMI, and GAIN-SS) to identify those juveniles needing further assessment and determine risk level.
 - a. County JPO will utilize current county systems to meet the needs of those not needing further assessment.
 - b. County JPO will screen participants who may be eligible for Medicaid or private funding and make appropriate referrals for services.
 - c. If the county JPO deems further assessment is necessary the JPO will complete the following packet for submission to the Chief JPO for eligibility of Juvenile Justice Substance Use Disorder Services (JJ SUDS) funding;
 - i. JJ SUDS Authorization Request Form
 - ii. JJ SUDS Release of Information Form
 - iii. YLS/CMI, GAIN-SS or PACT results

- 2. Initial Assessment:** District 2 is will use approved providers who meet standards for Qualified Substance Use Disorder Professionals (QSUDP) or QSUDP Trainees to complete Initial assessment.
 - a. Assessments will be conducted by a QSUDP or QSUDP Trainee using the GAIN-I.
 - b. GAIN-I assessment completed within 14 days of referral.
 - c. Completed assessment results will be returned to referring county JPO as soon as possible.

- 3. Determining Level of Service & Recovery Support Service Needs:** Based on completed assessment, Chief JPO will work with referring JPO to determine appropriate level of service (Level 1-Outpatient, Level II-Intensive Outpatient, Level III.5-Residential, etc.) and recovery support services (RSS) needed and associated funding. If a waitlist for services is necessary, GAIN-I scores will determine the order of priority.

- 4. Service Plan including RSS developed, approved, and authorized:** Chief JPO will work with referring JPO, provider and family to develop the service plan and authorize the timeframe and cost of treatment. Chief JPO will approve the referral and send copies to provider and IDJC.

- 5. Service Delivery:** District 2 will use approved BPA Health providers.

- a. The provider will send documentation of missed appointments, updates and concerns to the referring county JPO. Staffing will be a reimbursable service to assist with time involved in communication.
- b. Treatment providers will notify and work with the referring county JPO on ensuring the juvenile have services which fit their treatment needs.

6. Services Authorized:

- a. Counties will use IDJC's JJ SUDS Rate Matrix to provide consistent services throughout the statewide treatment system. A copy of the current Rate Matrix is posted on the IDJC's Public Website.
- b. If a service is needed which is not listed on the official Rate Matrix, the rate and corresponding service will be contractually arranged with the help of the IDJC JJ SUDS Program Supervisor.

7. Payment Authorization: Counties will use the existing BPA Health Network of providers to ensure quality services being provided to juveniles. All BPA Health providers will be required to use the current billing process through WITS. IDJC will pay claims submitted electronically by providers through WITS. Any non-BPA Health provider will be only considered with approval from the IDJC JJ SUDS Program Supervisor in order to ensure contract compliance and payment procedures are in place. The JJ SUDS funds should be utilized as payor of last resort (all other insurance options including Medicaid should be exhausted first).

8. Continuous Case Management: JPO will work directly with treatment providers and families to ensure progress in treatment is being made and report to the Chief JPO any request for additional authorizations for services. Chief JPO's will have final approval on all authorizations.

9. Performance Measures: The Chief JPO in each county will provide any performance data as requested by the IDJC. If requested, the IDJC will report outcomes and complete a program evaluation to the counties to ensure effective service delivery.
